

Safe Harbor Newsletter

September was Awesome

Thanks you to all our amazing volunteers and families that made our September gathering so great. What a blessing it was for us all to be together and enjoying the night. Special thanks to Joelle and Avery who came to play with some new friends from the community.

The next support group meets on **October 14th from 5:30-7:30pm**. As always there is a meal for children in attendance at 5:30pm. (gluten free options available) After the kids meal, parents and children go to their own separate programming from 6:00-7:30pm.

During that time parents will enjoy a meal together. This month's dinner is Chicken Stroganoff, a perfect comfort meal as the weather changes.

While parents enjoy their meal, kids will have time to play games and make crafts - our goal is to have fun and create a space for them to be themselves! All children are welcome (both foster/adoptive and their siblings)!

Feel free to come at 6:00pm if your kids will not be eating with us that evening.

Church Address: [5825 Heckert Road, Bakerstown PA 15007](#)

Below are the registration forms for the rest of 2026

October 14th Registration

November 11th Registration

December 9th Registration

How can you help?

Two major ways you can help Safe Harbor today:

First is to Pray.

Please be praying for our families. Prayers for endurance and strength in times that are challenging and difficult. We all have seasons that test us, foster and adoptive families are no different in that regard. Pray that they would have wisdom in how to act and patience as they do.

Second is to please share.

We always need help getting the word out. So if you see a post in Neighbors of Gibsonia or anywhere on Facebook please share it. Comment on the post and encourage others to come.

This actually works, and is an amazing way to help more people in our area who are looking for community.
